

RANCHO CUCAMONGA COUGAR BOOSTERS 4th ANNUAL TASTE OF RANCHO

Join us on Thursday, April 5th, 2018

Dear Families and Friends of Rancho Cucamonga High School,

I am a volunteer member of the RCHS Cougar Boosters. Our organization — comprised of parents and volunteers — is coordinating the RCHS's Cougar Boosters **4th Annual Taste of Rancho**. This year's event will be held at Rancho Cucamonga High School on **Thursday, April 5th, 2018**.

Approximately 3500 young men and women attend RCHS. Our school is dedicated to preparing students to think critically, communicate effectively, and respond compassionately to the needs of the community. We encourage academic achievements and personal accomplishments that will empower our students to become successful men and women in society.

RCHS also recognizes that extracurricular activities play an important role in the formation of our youth. Our school strives to provide an extra curricular program that encourages good sportsmanship, teamwork and helps to build a strong sense of self-esteem.

To help maintain our educational and extra curricular programs, we depend on the support and generosity of our alumnae, parents, families, and friends in the community. We also look to surrounding businesses to provide annual support. We are confident that our annual Taste of Rancho will not only generate critical funding for the school's extra curricular program, but also provide an opportunity for individuals and businesses to interact with other members of the community on the day of the event.

Your partnership is needed in supporting this year's event. We are reaching out to our restaurants here in Rancho Cucamonga with a fantastic opportunity to share with hundreds of our local residents the various culinary offerings located here in our city. This is a great opportunity to mix and mingle, enjoying a great night of food and entertainment. We are hoping to have your support and look forward to working with you.

If you have questions, or need additional information, please contact Carol Enriquez, RCHS Cougar Boosters Vice-President/Ways and Means, at (951) 809-6103 or RCcougarboosters@gmail.com.
